Textile Bioengineering and Informatics Symposium

you are invited to review the following manuscript. We would very much appreciate if you could provide critical and constructive review comments in given time period. Many thanks for your great support.

[Logout]

Peer review center

• **New invited papers(0)**

Note: These manuscripts have been assigned to you for peer review, you have not treated them.

• Under taking paper(0)

Note: These are manuscripts you have agreed to review, but not completed.

• Awaiting for further review(0)

Note: These manuscripts need for your further review.

• Reviewing history(0)

Note: These are manuscripts you have ever reviewed.

- You will find the paper assigned to you for review here.
- Please complete the review at the required time period.

View paper here

Input review comment here.

Ord	Status	Manuscript ID	Title in chinese (if any)	Submitted date	Due date	Operate
12	Peer-review	2014-0002	How to submit paper [Details] Full text  PDF (46.0 KB)	2014-04-12	2014-04-26	Enter comment

Please kindly pay attention to the following issues when reviewing the paper:

1. All submitted manuscripts must be reported as original, meaning that the manuscript should only contain previously unpublished research results (experimental or theoretical).
2. Please provide critical/constructive review comments in following aspects:
 - a) Title
 - b) Introduction
 - c) Methodology
 - d) Data presentation
 - e) Result
 - f) Discussion
3. English Review comments with no details but only stated “Accepted”, “Minor revision”, “Major revision” or “Rejected” is not counted as valid comments.
4. Please complete the review at the set time period, normally 14 days are given.
5. Official language is English. However comments in Chinese are also acceptable for authors who are also Chinese. (中文评语亦可接受。)

Sincerely thank you for your great support to
TBIS.
